Research proposal ... continued

Research proposal ... continued

How are people with diabetes involved in this study? (150 words)

Section 3. Applicants

Principal investigator

Title

First name

Surname

Current post

Department

Hospital or University address

Email address

Previous posts held (up to three)

Research experience

Publications (up to 10)

Current research grants

Previous research grants

Details of co-applicants* (name, position, institution)

*Please also attach a letter of support from all co-applicants and any significant collaborators with your online application submission.

_____

Section 4. Finances requested

Staff

Consumables

Equipment

Other (please clearly state)

What contingency / margin is planned for any delays / extra costs that may arise?

Total grant requested £

Have you made contact with the NIHR Clinical Research Network to explore support for this study? (https://www.nihr.ac.uk/documents/study-support-service-contacts/11921) If so, what was the outcome of the discussion? We strongly encourage you to contact the NIHR to discuss your study because it may be eligible for CRN additional support.

Where appropriate, please provide details of any excess treatment and support costs that can be provided by the NIHR Clinical Research Network. Please attach a completed SoECAT form with your online application submission that has been signed off by an NIHR Accord Specialist.

Is there any support from another grant awarding body or industry for this project?

Please provide two referees who could be appointed as experts in the field from whom reports could be requested on the overall value and scientific appropriateness of this research.

Section 5. Resubmissions

If this is a resubmission, please outline the changes that have been made

Section 6. Declaration and signature

Name of principal applicant

Position

Contact details

I confirm full acknowledgment to DCT and ABCD will be given for funding and any other support provided in any publication (electronic or print).

Date   Signature
