

ABCD Representation Report

March 2024

Ketan Dhatariya

JBDS on occasion, national patient safety organisation documents on GLP-1 shortages, national diabetes clinical network, RCP medical specialities board, JRCPTB

Too much to mention but will feed back to the committee on the day!

Alexandros Liarakos

I do not represent ABCD on any external groups/bodies.

No activity. The meeting in March will be my first meeting.

Jeffrey Stephens

I do not represent ABCD on any external groups/bodies.

Hermione Price

SAC

Apologies, I was not able to attend the last meeting but am aware of ongoing discussions regarding PYA/PYRs and non-specialist clinics.

Stella George

SfE meeting organising committee.

I have been on one virtual meeting to help with 2024 meeting and attending a 2-day f2f meeting this week to help organise the next academic conference in 2025.

Richard Chudleigh

I do not represent ABCD on any external groups/bodies.

Parth Narendran

I do not represent ABCD on any external groups/bodies.

I do some work for NICE but do not do this on behalf of ABCD.

Bob Ryder

ABCD audits of new diabetes therapies and device subcommittee

We have had multiple meetings including one this morning. I will show two slides at committee summarising where we are.

Upgrade to Diabetes Care Trust webpages to encourage donations.

Several discussions over the months and I hope to give an update at the committee meeting.

CVD-risk coalition group

This group sponsored by Astra Zeneca with representatives from multiple organisations met twice and produced a draft report and had a meeting at the houses of parliament in November though I was not able to attend that.

Association of
**British Clinical
Diabetologists**

Katherine Fayers

I am on the ABCD Exec and have weekly calls with Ketan and team and have arranged webinars and am currently arranging the two regional meetings and autumn conference for 2024.

Emma Wilmot

ABCD DTN-UK, ABCD academic subcommittee, ABCD audit programme deputy lead, NHSE HCL in antenatal care implementation group

Working with DTN-UK on many aspects of the NICE TA implementation developing national best practice guides, online videos etc.

Academic committee meet regularly to discuss and mark grant submissions. As audit programme deputy I supervise 2 PhD students working to deliver the audit programme for ABCD alongside Dr Bob Ryder. I have been asked to join the NHSE maternity HCL implementation group - meetings due to commence shortly.

Marie-France Kong

I do not represent ABCD on any external groups/bodies.

George Farah

RCP patient safety

Will update following the upcoming meeting.
