

### About NHS Digital

NHS Digital - formerly the Health and Social Care Information Centre (HSCIC) - is the national information and technology partner for the health and care system.

Everything we do, from developing essential information and technology infrastructure, through to protecting private data and disseminating the vital information needed to improve care and fight disease, is about helping professionals deliver better services.

## National Diabetes Audit

The 2015-16 Annual Report was published in January take a look [here](#)

We also published a secondary care spreadsheet containing local level data alongside the report which can be found [here](#)

---

### 2016 - 17 Collection

#### What you need to know

The provisional dates for the 2016 – 17 collection of the NDA have been announced. Organisations will have six weeks to submit their audit data to the NDA during the following dates.

Provisional Start Date	Provisional End Date
Monday 12 June 2017	Friday 21 July 2017

#### Who should take part?

Specialist services that provide outpatient diabetes care and insulin pump clinics. It is important that teams work together to submit one complete response for all their diabetes outpatients. Reports are based on the level they are submitted at, e.g. hospital or trust, please consider this when completing the template.

To submit to the audit you will need to complete the CSV

Are you the right contact for the audit? If not please let the NDA team know by emailing [diabetes@nhs.net](mailto:diabetes@nhs.net)

---

#### Q & A session with the audit team

The audit team would like to hear from you. Before the collection we are holding three teleconferences for specialist services.

Please follow the below links to book your place on one of them.

**Mon 5 June, 2pm – 2.30pm** [Link](#)

**Thurs 8 June, 1.30pm – 2pm** [Link](#)

**Fri 9 June, 1.30pm – 2pm** [Link](#)

---

template. Guidance for how you can submit to the audit can be found on our new collections website [here](#)

## **What's changed**

**Open Exeter** will no longer be accepting NDA submissions. All submissions will be accepted through the NDA's secure web site Data Landing. If you don't already have an account for Data Landing you can register. Guidance on how to create an account can be found [here](#)

**Legal basis** in which the NDA collects the data has changed. As of April 2017 we are being directed by NHS England to collect the audit data. The new legal basis means that health care providers, both in primary and secondary care, are required to participate in the audit. Further information can be found in our [NDA fact sheet](#).

**Multiple Readings** for BMI, HBA1c, Blood pressure, and Cholesterol are now to be collected by the NDA for each patient. The CSV has been modified to enable specialist services to enter this data. Further information can be found on our new collections website [here](#)

---

## **Call for feedback**

Have you used the NDA data? The NDA team would like to hear your feedback about how you have used the data or any suggestions for improvement. Please email the team at [diabetes@nhs.net](mailto:diabetes@nhs.net)

## **Contact the team if you have any questions**

If you have any questions please contact the NDA team by emailing [diabetes@nhs.net](mailto:diabetes@nhs.net) or you can call 0300 303 5678. Please note that lines are open Monday to Friday, 9:00 – 17:00.
